

Trotters Trail Calendar 2021

For all trail runs/walks, participants are totally responsible for their own welfare. This means carrying sufficient fluids, food and safety gear, including maps and directions where available, and making wise decisions when risks are encountered. A list of recommended gear can be found here.

Some courses, or alternative nearby routes, are suitable for mountain bike (MTB) riding, however, where bus travel is required, the MTB alternative will depend on a suitable way being found to transport the bikes.

Fees for trail runs are:

- \$2 for run only; or
- \$5 if drinks/snack supplied; or
- \$30 (\$35 non-Trotters) if bus hire is required (details will be listed if it is a run that requires bus transport)
